Welcome to Music City, U.S.A.

Wow, the Summit keeps growing and the reason is clear: Many of you want to focus more on your business and less on towing. Congratulations! You are on your way to a better future with a more profitable business.

Summit attendees have high expectations and we continue to exceed them. Don't just take our word for it – check out the testimonials from our 2016 Towing & Recovery Management Summit.

Our vision for the Summit – to bring you speakers who can address your business concerns and offer you time to interact with fellow towing company owners – will never change. But our venues will change as we move the Summit to cities suggested by previous Summit attendees. This year's city is Nashville, Tennessee, and what a city!

1. It is centrally located in the U.S. with a major international airport (choice of flights for our Canadian attendees as well).
2. It bustles with nightlife and attractions and has become a top U.S. destination.
3. It is home to country music and the infamous Grand Ole' Opry.

We negotiated amazing rates at our host hotel, the Opryland Resort (check out the pictures on the hotel page!). Stay an extra night and have a great time.
